United We Trail...Divided We Fail

Happy New Year... We hope you had a fun and safe holiday!!

Christmas Party:

As usual we had a great turnout with members and landowners. It was a nice chance to talk to some of the landowners and seeing them enjoying themselves, they are a very important part of our club. The food, drinks and service was great, thank you Twin Lakes Country Club!! We would also like to say thanks to the people who organized the party and to those who donated goods for our raffle there were a lot of great prizes.

Club Trip:

We had a club trip in Munising from December 26th - January 1st. We would like to thank John Stohr for putting this trip together and leading the rides. There was a good turnout of members up there spending time together riding around the Yoop. If you can get the chance to go on the clubs rides it is a lot of fun spending time with and getting to know fellow members.

Trail Passes:

We still have people waiting until the last minute to get there membership renewed and trying to get there trail pass right away. There is a process to getting people renewed, it is not as easy as just sending the form in. We have to update you in our system and then we have to update you in the AWSC system. Then they have to process the renewal. The AWSC only allows us to process renewals once a week because there are so many members and clubs. Plus all of the new members also joining clubs. Remember there are over 600+ clubs in the state and over 40,000 members. This is why we do all of our renewals on September 1st, this way everyone has plenty of time to get there passes ordered before snow even falls. Instead of being part of the last minute crowd. **ALL** memberships expire on August 31st.

Just a Reminder:

All of the work done in this club from groomer repair, trail signing, trail grooming, trail clearing, event planning, memberships, website, social media and so on are all done by volunteers. No one is paid to do any of this work, it is people giving up time from there regular schedules and families to do extra things to make all of this happen.
