## ***United We Trail...Divided We Fail***

### **Club Trip:**

The club trip (Twin Lakes, MI) was well attended and a great time. There was a lot to see and it was nice to hang out with fellow club members. Thank you to Geoff for putting this trip together.

### **Did you take a friend snowmobiling last month?:**

The Take a Friend Snowmobiling Campaign is all about introducing non-snowmobilers to our winter recreation of choice. Research shows that people WANT to go snowmobiling but don't know HOW to get started. By planning a ride, we take the guess work out of it for those that might not try it any other way. Buying a snowmobile is a great investment so if we can show people how to get started properly, they might be more inclined to join our club and on the trails.

### **AMSOIL Snowcross Championship Series:**

The top professional snocross racers on the planet, as well as the leading freestyle athletes anywhere, will invade Grand Geneva for Nielsen's Grand Finale of the AMSOIL Championship Snocross Series.

- When: March 15-17, 2019, Pro and Semi-Pro Main Event Saturday and Sunday.
- Where: Grand Geneva Resort & Spa, Lake Geneva, Wisconsin.
- For further information about the Grand Finale call (262) 249-4726 or visit Snocross.com.

### **AWSC Memberships:**

Going forward all AWSC Memberships (yellow card) will expire on June 30th every year. For example if you sign up in May of 2020 it will expire in June of 2020. You need to be a member of a snowmobile club and the AWSC to get the discounted trail pass. The reason for the change is people have been taking advantage of the system by joining a club late in the year which enabled them to get the discounted Wisconsin Trail Pass for two years but only joining a club for one. As you may know the revenue generated from the snowmobile trail pass sales directly benefits snowmobiling in Wisconsin by increasing the snowmobile segregated fund, which is used to pay for maintenance and development of snowmobile trails. The discounted club member pass provides incentive for membership in local snowmobile clubs, whose members provide the majority of the labor and equipment used to maintain the snowmobile trails.

### **Law of the Month:**

When you are riding a snowmobile within 100 feet of a person who is not on a snowmobile, or in or on a vehicle, or when you are riding within 100 feet of an ice fishing shanty, you must slow your snowmobile to 10 mph or less and yield the right of way, except when you are operating on a privately owned raceway facility.

The people you come upon could be a landowner that gave a club permission to use on there property. Trails are hard to get and easy to lose, give everyone the respect they deserve and set a good example for all snowmobilers.
